Amy: Thanks for this additional information. Per your prior email, we submitted an online FOIA request yesterday for all documents linking my client to the CES Environmental site. We very much want to be able to review this information before providing the requested response to EPA. Based upon the schedule below, it appears we will have a few days to review this information.

I appreciate the update.

And yet another update:

I've been advised that April 30, 2015 is now EPA's planned date to have the already FOIA requested site related document copies available for online viewing.

The date has been changed from April 14th to April 30th due to time needed to make the large number of document copies viewable from the FOIA online web site.

Sorry about the moving date. Hopefully they will be available April 30th.

Amy

Lynn:

Here are updated instructions for the FOIA process. The expedient way for you to request copies of previously requested FOIA redacted copies of documents (invoices, manifests, etc.) that EPA has obtained from CES Environmental Services, Inc. is via the following FOIA online web site:

<https://foiaonline.regulations.gov/foia/action/public/search>

April 14, 2015, is the EPA's target date for copies of these previously requested FOIA redacted documents to be viewable at the above URL. **After April 14, 2015**, when you go to this site:

1. Click on tab titled Search FOIA Requests.
2. In the Search Criteria box:
 - A. Search for - "EPA-R6-2015-005289"
 - B. Type – Leave all four boxes checked
 - C. Agency – Select U.S. Environmental Protection Agency
3. Click the search tab.

If you have any other questions please call me.

Thanks,

Amy Salinas

I received your voicemail. The best way to request the documents is to submit an online FOIA request for "redacted copies of all documents that EPA has obtained from CES Environmental Service" via the following web site:

<https://foiaonline.regulations.gov/foia/action/public/search>

If you have any problems, let me know.

Thanks,
